

FILLED TO FLOW

Leader Guide, Week 7 | Kingdom Authority

I. Objective: You're filled to flow in the fruit of the Holy Spirit!

As you lead this session on the fruit of the Spirit, remember that **it isn't about striving—it's about abiding**. Your role is to create space for honest reflection and Spirit-led discussion, helping your group see that true character **transformation happens from the inside out**. Encourage authenticity, reminding everyone (including yourself!) that **growth is a process**, and none of us have “arrived.” Be ready to share from your own journey—the victories and the struggles—so others feel safe to do the same. Most importantly, **lean on the Holy Spirit** as you lead, trusting that He will guide the conversation, bring conviction where needed, and produce **lasting fruit in the hearts of your group**. You're not just leading a discussion; **you're shepherding hearts toward deeper intimacy with God!**

II. The Wrap-Up

As you finish the last week of Filled to Flow, take some time to **reflect as a group**. Acknowledge how God worked in each of your hearts and really take the time to process how the group started and how it's ending—seeing not just the individuals impacted but also the group dynamics and community that formed. You did it! **You led a group for the Winter 2025 Session, and you were a part of the life-transformation that happened!!**

Now is the time... you have probably been thinking about it, but now is the time to decide. **Will you be continuing your group?** If you do not wish to lead, is there someone in your group who could step up to take it over? Let's transition to the next session well!

III. Prepare By Praying

- Pray for people to feel the boldness and authority of the Spirit!
- Pray for the flow of the Spirit in their lives to not stop after this series
- Pray for protection for your group members
- Pray for the presence of God to be with your group members and in your group time
